Kids' Order of Worship

Atonement:

- God does **not minimize sin by overlooking it** or simply pardoning it.
- Instead, God sent his righteous to Son to live die in the place of unrighteous sinner.
- At the cross, God put our unrighteousness on Christ and punished him accordingly, in our place.

Check the excuses you have made that **minimize your sin:**

	Blaming it on your brother or sister
	Saying it was just a joke
	Thinking that everyone does it so its ok
	Not telling the truth so you don't get caught
	Only telling part of the story
	They started it or did it first so you did it too
